

# Diversity Statement

Angles Family Contact Services believe that diversity and inclusion aren't optional.

## Everyone is welcome

Our Angels are an inclusive team with a proud sense of belonging. Diversity brings us together to learn and grow. Every individual is respected, supported, and appreciated for their unique contribution, diverse talents and for being themselves.

Diversity and inclusion are vital to the success of Angles Family Contact Services. We work with people from all backgrounds, beliefs, and experiences. We believe everyone should have the freedom to be themselves and be valued for their differences. It's what makes our world go around.

Angles Family Contact Services acknowledge Aboriginal and Torres Strait Islander people as the first inhabitants of the nation and the traditional custodians of the lands where we live, learn and work. We respect their continuing connection to land, waters, and culture. We recognise the strength, resilience, and capacity of Noongar people in this land.
